Empowering Community; Ensuring Inclusivity

At TSRS, we have been passionately striving to achieve our vision of *'Strengthening Ability, Empowering Community.* A community that empowers each member transcends age, gender, and abilities. Inclusivity flourishes when individuals in the community harness their strengths to *uplift one another*, *regardless of differences.* We have faith that our genuine actions in this direction will create a substantial and meaningful impact.

Tarini Malhotra, *a student of TSRS, Moulsari Campus, received the prestigious Diana Award for her remarkable efforts in advocating employment of neurodiverse individuals in various fields. She is the founder of 'Nai Subah Foundation' and a National Winner of Pramerica Emerging Visionaries. She represented India at the Global Emerging Visionaries Summit ,USA. She was felicitated for her vision and action towards building a financial and societal solution for the community.*

The Young change-makers like Tarini Malhotra, prove that there is no limit to creating a change in the community. All that is needed is unwavering willpower and passion. Through *positive attitude, hard work, sincere endeavours, and love,* we will be able to experience the much-needed transformation which is the need of the hour.

Tarini shares her journey in the below video:
